

Dear Guests,

Welcome to Parkway Community Church of God! We are so glad you are with us today. During the course of the morning, you will notice that we engage in various forms of worship – singing, praying, reading the Bible together, and even the giving of our money.

As our guest we want you to feel free to just sit back and observe, or to participate with us fully! It is our sincere desire that you will feel challenged during your time here, but not obligated in any way. Valenda and I would love to meet you after the service and answer any questions you may have about the church.

In Christ,

Pastor Larry Young

Children are always welcome in service with us. We do provide full time care for babies. Our Pre-K through 6th grade children are invited to join their parents for worship and are then dismissed to their class before the message.

Sunday Night Service

Sunday night is a time for "Going Deeper" into God's Word. We sing songs to the Lord, pray together and Pastor Larry takes us deeper into the scriptures used in the Sunday morning message. Please join us for this interactive night of worship.

Wednesday Night Service

Wednesday Night Light as we call it is a mid-week Bible Study designed to bring the light of God's word into the hustle and bustle of our busy work week. Wednesday Night is a time to learn more about our faith and how to grow closer to our Lord.
